*A Harmony of Light & Sound*

# Quartz Cascade

In the heart of the wilderness, where cascades of water carve their path through rugged landscapes, a timeless dance unfolds. Picture the majestic torrent, tumbling down from lofty peaks, carving deep valleys and winding their way towards the distant ocean, all seen from a bird's-eye view. Our Oceanus quartz slab embodies the essence of this breathtaking journey, with veins mirroring the intricate pathways of water flowing towards its ultimate destination. You can almost hear the melodious symphony of water as it rushes over rocks towards the horizon. As you trace the intricate patterns of our Oceanus quartz slab, you are transported to the banks of these mighty cascades.

OCEANUS (BACKLIT & BOLD™) | PQ5173

Feel the cool spray of mist on your face as you stand at the edge of a waterfall, marveling at the raw power and beauty of nature's handiwork. Like witnessing the relentless journey of cascades towards the boundless expanse of the ocean, you run your fingers across the surface of our quartz slab and can't help but feel a sense of awe and wonder at the magnificent beauty of the world around you.

NEW  
COLOR!

OCEANUS (BACKLIT & BOLD™) | PQ5173

Capturing the essence of water's journey, with veins reminiscent of rivers carving their path back to the source. Each intricate Oceanus pattern tells a tale of resilience and fluidity, inviting you to witness nature's eternal flow.

NEW  
COLOR!

CREMA CLARET | PQ5171

Emerging as an oasis of neutral tranquility. The striking vein pattern of our Crema Claret slab echoes the paths of rivers, seeping into the earth, adding a touch of natural elegance to any space.

Coastal Chic Hues

# Sand & Sky

Open your eyes to the sun's warm embrace and the gilded dunes, where an oasis of calm emerges. Inspired by the harmonious dance of golden sands and the moon, whose gentle tug controls the tides, time slows to a gentle crawl, and worries dissipate like morning mist beneath the warming rays. In this tranquil haven, the world feels simultaneously distant and intimately close, as if every grain of sand whispers secrets of distant shores. We are dedicated to bringing this ethereal experience to you, regardless of your location, transporting you to a place where your soul finds solace in the simplicity of existence.

As you immerse yourself in nature's embrace, let your spirit soar and find solace in the beauty that surrounds you. Within this sanctuary of serenity, amidst the ever-shifting sands of time, one discovers refuge from the chaos of the world and a moment of pure tranquility in any space.

**COASTAL DUNES** | PQ5167  
(Book-matched)

Amidst the warm shades of taupe, movement reflecting the beauty of gilded Coastal Dunes, emerged in an oasis of calm.

**LUNARIA** | PQ5157

Inspired by the enchanting interplay of the moon's gentle pull on the tides, our Lunaria quartz slab captures the celestial dance reflected in the ebb and flow of delicate waves.

Radiance Unleashed

# Ember Fusion

Witness the alchemy of the elements unfold in our latest collection. Drawing inspiration from the awe-inspiring spectacle of erupting volcanoes, each piece radiates raw power and elemental beauty. Envision the vivid hues and dynamic textures mirroring the molten landscapes forged by volcanic activity. Our Sienna Gold quartz surface, reminiscent of the rugged terrain shaped by volcanic forces, exudes an unparalleled strength and resilience.

SIENNA GOLD | PQ5166

With every slab, immerse yourself in the primal energy resonating from nature's fiery depths, where the timeless narratives of our planet are etched into every crystalline structure. This collection serves as a captivating embodiment of the dynamic interplay between earth and fire, offering a mesmerizing glimpse into the elemental forces that sculpt our world.

SIENNA GOLD | PQ5166  
(Book-matched)

Mirroring the marbled terrain shaped by volcanic activity, our Sienna Gold quartz slab shimmers with the essence of nature's fiery depths, embodying the primal energy that courses through the earth's core.

LUMEN SKY (BACKLIT & BOLD™) | PQ5169  
(Book-matched)

Envision the transformative impact of Lumen Sky (Backlit) as it infuses your space with its captivating presence. Like molten lava frozen in time, this quartz slab commands attention and admiration, offering a glimpse into the elemental forces that shape our world.
